
MODERN ASSISTANCE

EMPLOYEE ASSISTANCE PROGRAM

June 1, 2020

Dear Members, Business Agents, Apprentices and Union Leadership

Due to the social distancing guidelines in effect within the state of Massachusetts, Modern Assistance Programs will now be testing for the renewal or new enrollment of your Workplace Safety Card (drug free card) at a new location:

401 Water St, Quincy MA

Starting Wednesday June 3rd and Thursday June 4th from 1:00pm - 5:00pm.

The following week and there after we will test on Tuesdays, Wednesdays and Thursdays 1:00PM - 5:00pm.

We are implementing new policies and procedures to protect our staff and members. Our staff will be wearing full PPE during the testing process and we ask that members wear their masks when entering the lab.

When you **arrive** at 401 Water St. please call 617-797-8000 to pre-register. We will take your information and call you when you are next in line.

We ask that you wait in your car until called as we are limiting the number of members in the lab at one time.

Members temperatures will be taken when entering the lab using a non-contact infrared thermometer which will be pointed at the members forehead for 1-3 seconds. If a temperature reading of 100.4 or higher is obtained, the technician will confirm by taking another reading. A temperature of 100.4 degrees or higher is considered a fever.

If a reading of 100.4 degrees or over is confirmed, the member will be not be tested.

If you have any questions, please contact Modern Assistance Programs at 617-773-5169.

Thank you for your cooperation and patience.

Judi Melvin-Conners
Director of Drug Testing Operations
1400 Hancock St 2nd Floor
Quincy, MA. 02169
